

# Additional Custom Colour Examples

**Ironstone**  
(Post-Cast Coated)

**Brown**

**Satin Black**  
(Post-Cast Coated)

**Light Grey**  
(Portland White Cement)

**Acid Etched Finish**

**Exposed Aggregate  
Finish**

**A custom and colour matching service is available, examples shown above - please contact us with your enquiry.**

**Please note:** The colours as shown above are intended only to give a rough indication of the range of colours we supply. We advise requesting a free stone colour sample to provide an accurate colour and texture representation.

Our Custom Colours will incur a surcharge for the additional pigments, blending and post-manufacturing surface treatments applied to create them. They will also likely be subject to an increased lead-time, if chosen.
